Information regarding Swedish Financial Supervisory Authority (Finansinspektionen) report to the Swedish prosecutor regarding Alecta's investment in Heimstaden Bostad

Alecta has published relevant information on their website: [Alecta comments on Finansinspektionens report to the Swedish Prosecutor](#)

Our comments based on information at hand:

- The issue appears to involve potential breaches of law or Alecta's internal rules by one or more persons that *may also* constitute a legal offense. Alecta has engaged two external law firms to review this matter and on the basis thereof, the Board of Alecta concluded not to pursue a case.
- This matter does not directly affect Heimstaden Bostad AB or Heimstaden AB – nor does it relate to improper conduct by any of these companies or its employees.
- We have a zero-tolerance for any form of corruption as enforced through our [Code of Conduct](#) and [Anti-Corruption Policy](#).

We are taking the situation seriously and will assist relevant authorities upon their request.
